MAYOR SEGARRA CONGRATULATES KEVIN KANE'S REAPPOINTMENT AS CHIEF STATE'S ATTORNEY

---NEWS AND COMMUNITY STATEMENT---

(July 21, 2011) --- Hartford Mayor Pedro E. Segarra today issued this statement applauding the unanimous reappointment of Kevin T. Kane as Chief State's Attorney:

"The City of Hartford has a true partner at the state level in Kevin Kane as we work together to not only reduce gun violence, but to help prevent all forms of violence from happening in the first place. An excellent example of the partnership we've established is the reconstitution of the *Shooting Task Force* in order to best utilize available resources at all levels and bring about the resolution of open cases. We are already seeing the success of this partnership and I look forward to the terrific progress the State's Attorney office will make over the next five years," said Mayor Segarra.
